

HANGING WHITEBOARDS

There are a variety of ways to hang a whiteboard on the wall. Hanging a whiteboard with the aid of the Whiteboardset offers the option of repositioning the whiteboard either horizontally or vertically. The Artiteq Whiteboardset has been designed to make it easy to hang a whiteboard on the wall, and offers flexibility since it may be used in combination with our hanging rails. The clamps ensure a stable mounting of the whiteboard to the wall. By combining the Whiteboardset with the hanging rail, it is extremely easy to mount the whiteboard to the precise desired spot.
